

Training 2.0. Gator Strategies & Mutual Release States

Training 2.0. Gator Strategies & Mutual Release States

In this training, Pace describes eight strategies that fit your new Gator Method business model. You're also going to learn how to handle your new enemy: mutual release states.

After Watching this Video You Will:

- Know the eight major Gator Strategies
- Understand what a "mutual release state is" and why this type of state is a risk you need to learn how to handle
- Learn about using OPM (other people's money) to provide money on deals, because you should not be using your own cash in these transactions.
- Know why Pace recommends PCS for setting up your LLC and using their corporate credit program

This video is free content already available on YouTube. However, if you have not viewed it already, please make sure you do so now. It contains important information for this course. Please do not skip any training videos, regardless if free or paid. Each training was placed in this course in a specific order, and contains learning objectives designed to collectively contribute to your overall success.
