Week 4 and Beyond: Continuing Education

A Note from Pace:

Let the value continue! In this module, we've placed the Bonus Q & A trainings from Phase 1 of Gator Lending.

By now you know there are many opportunities on this journey you've started.

So naturally over the entire span of trainings I've carried out so far, we haven't just discussed lending EMD. We have also ventured into other topics related to Gator Lending, plus business and life in general.

With that in mind, these four bonus training sessions contain questions and answers that have come up so far in Phase 1 of Gator Lending.

So approach these bonus trainings with an open mind, willingness to learn, and keep your internal radar on for the content that speaks to you the most. Then when you find it, use it!
